

区域内污水管概略図1/non

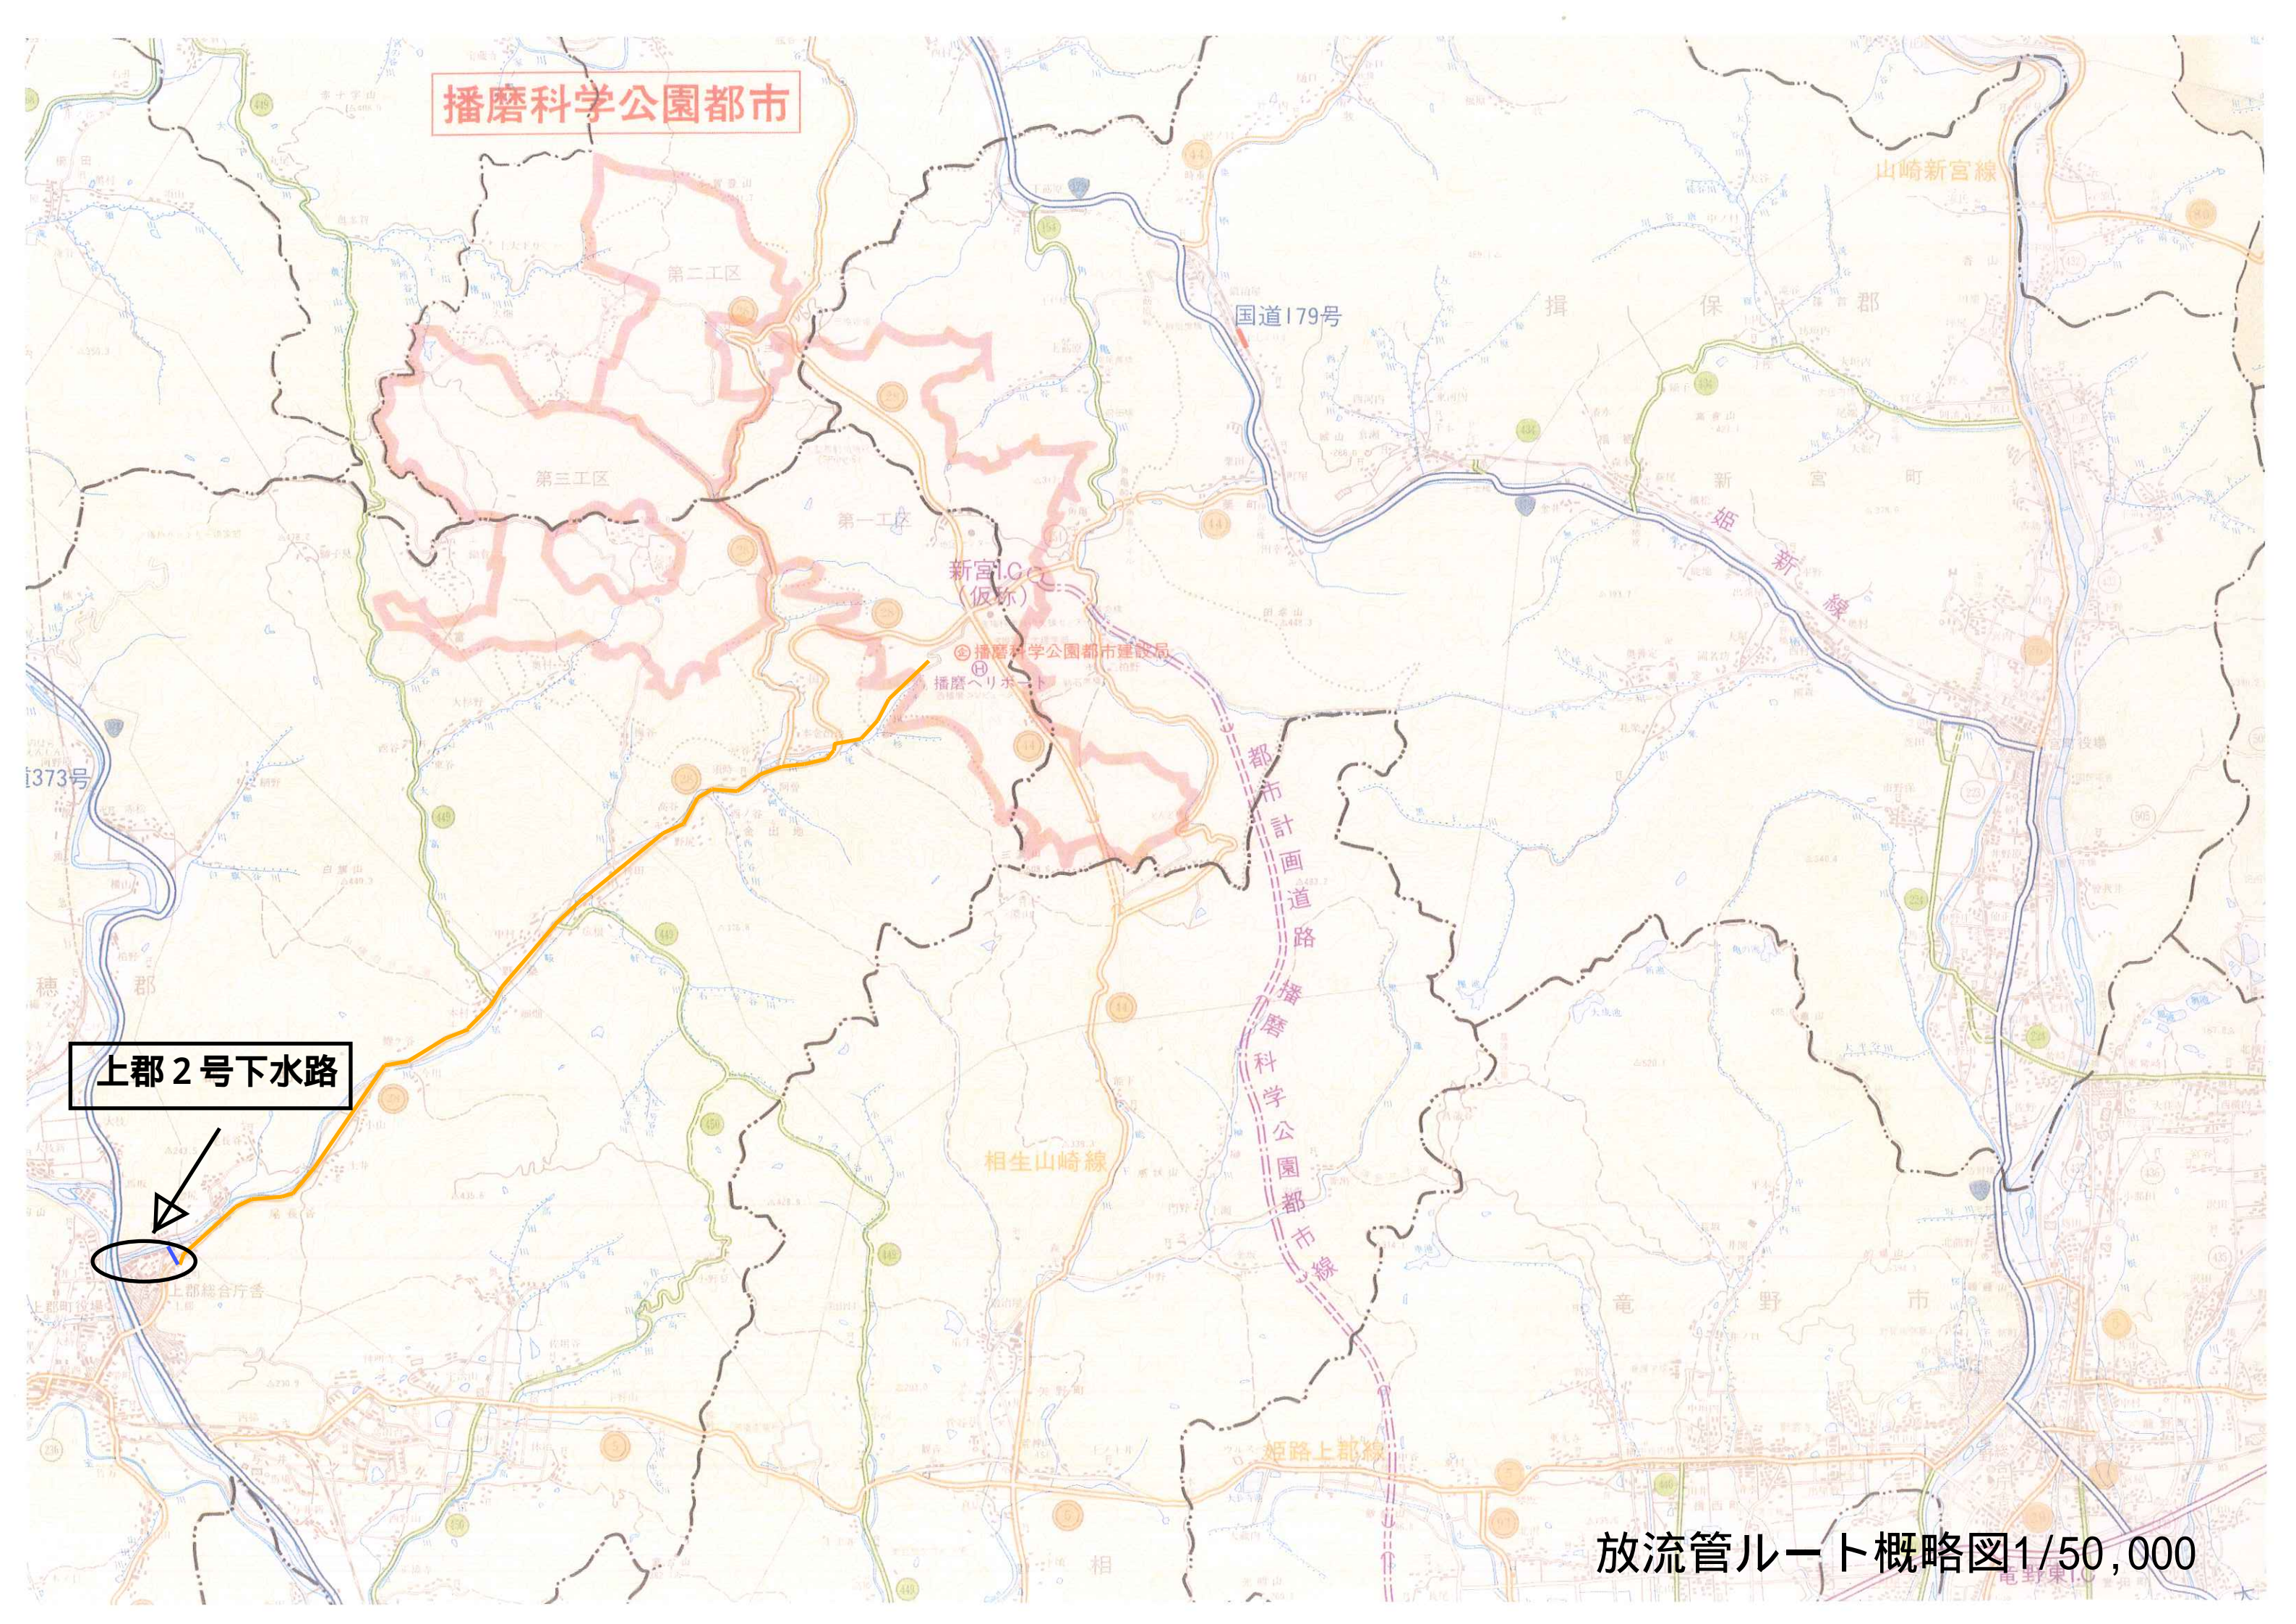

区域内雨水管概略図1/non

This is a detailed topographic map of a region, likely in Japan, showing contour lines and various landmarks. A blue line is drawn across the map, representing a proposed rainwater pipe route. The route starts in the upper left, moves right, then down, and then follows a winding path through the center and right side of the map. The map includes labels for various locations, such as '大田区立大田小学校' (Ohta City Ohta Elementary School) and '大田区立大田中学校' (Ohta City Ohta Junior High School). The title '区域内雨水管概略図1/non' is located at the top center of the map.
